

Steam and Wetroom Seating Kits

Jackoboard Steam and Wetroom Seating Kits are the simple, waterproof, cost effective and flexible way to create stylish tiled seating in steam rooms and wetrooms.

All three kits in our range are 1200mm long, but can be easily trimmed to suit the dimensions of your job by making simple straight cuts using hand tools to the individual components before assembly.

Square Edge Style For use with larger format tiles	Curved Edge Style For use with mosaic tiles	Curved Edge with Backrest For use with mosaic tiles
